Treverva Village Hall Committee

Chairman's Report 2022

Treverva Village Hall remains an attractive small venue for small displays, Art events, children's parties (of which there have been several during the past year) and other meetings. We continue, as last year, as a weekly practice venue for a thriving small band. It is also true, that the after effects of the Covid problem, and its attendant lockdown, has left a lasting legacy on many people's readiness to meet in a group social setting, having become habituated to the 'stay at home' social activity. There is little that can be done to roll back the clock by 5 years to the weekly events of previous times.

The Committee continue their quarterly evening meetings, to monitor those activities that do still continue, and maintaining the Hall in its excellent condition, and state of repair. Items such as fire appliances, buildings insurance, water rates all have to be maintained, on behalf of the Parish Council, of which we have two representatives on the committee.

As I said in a previous annual report, we have inherited a small 'Gem' by a quirk of history, which we do our best, as volunteers to keep as a facility for all. In the prophetic words of one local supermarket, 'If it's gone- it's gone'. It could never be replaced.

Paul Bennett - Chair Treverva VHC.
