3. Application PA23/06331 Proposal Outline planning permission with some matters reserved (appearance, landscaping, layout and scale) for the demolition of an existing dwelling and construction of up to 4 replacement dwellings and associated works
Location Belle Vista Hillhead Road Kergilliack Falmouth TR11 5PA **Grid Ref** 178254 / 33523 **Case Officer Mark Ball**

It was proposed by Cllr Hennell and seconded by Cllr Hart and:

RESOLVED that the following comment be submitted:-Budock Parish Council objects to this application for the following reasons:

This land is not identified for development either in the NDP or the Cornwall DPD. It is against the NDP Section H2: Rural exception sites which states Residential Development outside the Development Boundaries will be supported only where it is to deliver 'Affordable Housing' to meet an identified local need. The Parish has little or no housing need and what there is, will be more than covered at the newly granted Barrett's development.

Under paragraph H4 in the NDP adopted in July 2021 in order, to avoid the potential for coalescence with the surrounding developed areas of Falmouth and Penryn, specific Green Gap Sites have been designated as those areas which are most sensitive to development or light pollution and development will not be supported. The green area nearest to this site runs right alongside the approach road to the buildings on the site and the whole site is clearly visible in a prominent hilltop position from many directions around & particularly over the green area mentioned so the potential for visual intrusion and / or light pollution would be considerable.

Five houses in this small area would, we believe, be classed as overdevelopment.

We do not believe that the access on to Hillhead is satisfactory especially as potentially ten cars could be using the 'lane' from Hillhead to Belle Vista. It is questionable that this 'lane' is even suitable for that amount of traffic.

The criteria is entitled 'sustainability' this includes access to nearby public transport and shops amongst other things. This development clearly does not meet either of those.

It is felt that if the application is exactly the same as PA22/02725 then our response should also be the same.

Members of the council noted that the access on to Hill Head road felt dangerous.

On a vote being taken this was unanimously agreed

4. Application PA23/04750 Proposal Demolition of existing dwelling and detached garages and construction of replacement dwelling, parking, associated landscaping and installation of a ground mounted solar PV array. **Location** Belle Vista Hillhead Road Kergilliack Falmouth **Grid Ref** 178254 / 33523 **Case Officer - Mark Ball**

It was proposed by Cllr Hennell and seconded by Cllr Hart and:

RESOLVED that the following comment be submitted:- Budock Parish Council have no objections to this application.

On a vote being taken this was unanimously agreed

Cllr George left the meeting 7.55 pm.

5. Application PA23/05636 Proposal Works to trees subject to a tree preservation order (TPO) T1, Sycamore, Reduce crown back to previous pruning points approximately 3m. **Location** 47 Watersmead Parc Budock Water Falmouth Cornwall TR11 5EL **Grid Ref** 178243 / 32003 **Case Officer Mark Webb**

It was proposed by Cllr Burnett and seconded by Cllr Grounds and:

RESOLVED that the following comment be submitted:- In view of the Tree Officers report Budock Parish Council has no objections to these works.

On a vote being taken this was unanimously agreed
